✓ EVERYDAY RELIABLE A – B VEHICLES	
✗ CARS TO AVOID	
The goal is fast turnover, low risk and consistent profit, not the perfect deal.	
✗ Rare vehicles Hard to price, slow to sell, limited buyer pool	✗ Highly modified vehicles Narrows buyer pool, most buyers want original vehicles
✗ Project cars Time and cost unpredictable, not a beginner vehicle	✗ Luxury vehicles Expensive to fix, smaller buyer pool, higher risk
✗ Major engine or transmission faults Repair costs will eat your profit or exceed it	✗ Any diesel that isn't a ute or van Higher repair costs, fewer buyers in the budget segment
✗ European makes and models Parts are expensive, mechanics charge more, resale is slower	✗ High kilometre vehicles Slow to sell with not much life remaining
